

## Transcript for Keegan Hogue 2025-12-16

### Details

| Name         | Email Address          |
|--------------|------------------------|
| Keegan Hogue | hoguekeegan1@gmail.com |

### Competencies & Badges

No Competencies

### Certificates

No certificates

### Online and Instructor Led Course Enrollments

| Course Name                         | Status      | Credits | Score | Completion Date     | Break Duration |
|-------------------------------------|-------------|---------|-------|---------------------|----------------|
| Algebra Fundamentals 141            | Complete    |         | 94    | 2025-12-03 09:53 AM | N/A            |
| Basic Cutting Theory 201            | Not Started |         |       |                     | N/A            |
| Basic Measurement 101               | Not Started |         |       |                     | N/A            |
| Basics of G Code Programming 231    | Not Started |         |       |                     | N/A            |
| Basics of the CNC Lathe 211         | In Progress |         |       |                     | N/A            |
| Basics of the CNC Mill 212          | Complete    |         | 100   | 2025-12-16 10:15 AM | N/A            |
| Basics of Tolerance 121             | Not Started |         |       |                     | N/A            |
| Benchwork and Layout Operations 241 | Not Started |         |       |                     | N/A            |
| Bloodborne Pathogens 161            | Complete    |         | 88    | 2025-11-13 12:42 PM | N/A            |
| Blueprint Reading 131               | Not Started |         |       |                     | N/A            |
| Canned Cycles for the Lathe 321     | Complete    |         | 83    | 2025-12-15 01:05 PM | N/A            |

| Course Name                                   | Status      | Credits | Score | Completion Date     | Break Duration |
|---|-------------|---------|-------|---------------------|----------------|
| Canned Cycles for the Mill 322                | Complete    |         | 91    | 2025-12-02 12:46 PM | N/A            |
| CNC Specs for the Lathe 225                   | Complete    |         | 88    | 2025-12-01 10:24 AM | N/A            |
| CNC Specs for the Mill 220                    | Complete    |         | 87    | 2025-11-21 12:02 PM | N/A            |
| Confined Spaces 231                           | Complete    |         | 80    | 2025-11-13 12:58 PM | N/A            |
| Coordinates for the CNC Lathe 221             | Complete    |         | 83    | 2025-11-17 11:03 AM | N/A            |
| Coordinates for the CNC Mill 222              | Complete    |         |       | 2025-11-17 08:17 AM | N/A            |
| Cutting Processes 111                         | Not Started |         |       |                     | N/A            |
| Engine Lathe Basics 211                       | Not Started |         |       |                     | N/A            |
| Engine Lathe Setup 231                        | In Progress |         | 73    |                     | N/A            |
| Ergonomics 102                                | Complete    |         | 100   | 2025-11-13 01:03 PM | N/A            |
| GD&T Applications 312                         | Not Started |         |       |                     | N/A            |
| Geometry: Circles and Polygons 171            | Complete    |         | 85    | 2025-12-03 10:28 AM | N/A            |
| Geometry: Lines and Angles 151                | Complete    |         | 100   | 2025-11-25 07:24 AM | N/A            |
| Geometry: Triangles 161                       | Complete    |         | 86    | 2025-12-03 10:39 AM | N/A            |
| Hand and Power Tool Safety 201                | Complete    |         | 92    | 2025-11-13 12:53 PM | N/A            |
| History and Definition of CNC 202             | Complete    |         | 83    | 2025-11-17 11:07 AM | N/A            |
| Inspecting a Cylindrical Part 331             | Not Started |         |       |                     | N/A            |
| Inspecting a Prismatic Part 321               | Not Started |         |       |                     | N/A            |
| Introduction to CAD and CAM for Machining 241 | Complete    |         | 92    | 2025-11-21 12:05 PM | N/A            |

| Course Name                                  | Status      | Credits | Score | Completion Date     | Break Duration |
|--|-------------|---------|-------|---------------------|----------------|
| Introduction to CNC Machines 201             | Complete    |         | 100   | 2025-11-21 11:58 AM | N/A            |
| Introduction to GD&T 301                     | Not Started |         |       |                     | N/A            |
| Introduction to OSHA 101                     | Complete    |         | 94    | 2025-11-13 12:49 PM | N/A            |
| Introduction to Workholding 101              | Complete    |         | 100   | 2025-11-21 10:30 AM | N/A            |
| Lathe Tool Geometry 351                      | Not Started |         |       |                     | N/A            |
| Locating Devices 121                         | Complete    |         | 85    | 2025-11-21 10:25 AM | N/A            |
| Lockout/Tagout Procedures 141                | Complete    |         | 87    | 2025-11-10 09:03 AM | N/A            |
| Machine Guarding 271                         | Complete    |         | 100   | 2025-11-13 12:45 PM | N/A            |
| Major Rules of GD&T 311                      | Complete    |         | 83    | 2025-12-03 06:45 AM | N/A            |
| Manual Mill Operation 251                    | Complete    |         | 87    | 2025-12-15 12:55 PM | N/A            |
| Manual Mill Setup 221                        | Complete    |         | 81    | 2025-12-15 12:48 PM | N/A            |
| Math Fundamentals 101                        | Complete    |         | 83    | 2025-12-03 09:41 AM | N/A            |
| Math: Fractions and Decimals 111             | In Progress |         | 70    |                     | N/A            |
| Mill Tool Geometry 361                       | Not Started |         |       |                     | N/A            |
| Noise Reduction and Hearing Conservation 121 | Complete    |         | 100   | 2025-11-13 12:31 PM | N/A            |
| Offsets on the CNC Lathe 261                 | Complete    |         | 100   | 2025-11-17 11:45 AM | N/A            |
| Offsets on the CNC Mill 262                  | Complete    |         | 89    | 2025-11-17 11:41 AM | N/A            |
| Overview of Machine Tools 121                | Not Started |         |       |                     | N/A            |
| Personal Protective Equipment 111            | Complete    |         | 100   | 2025-11-13 12:23 PM | N/A            |

| Course Name                                | Status       | Credits | Score | Completion Date     | Break Duration |
|--|--------------|---------|-------|---------------------|----------------|
| Powered Industrial Truck Safety 221        | Not Complete |         | 76    |                     | N/A            |
| Respiratory Safety 131                     | Complete     |         | 93    | 2025-11-13 09:23 AM | N/A            |
| SDS and Hazard Communication 151           | Complete     |         | 83    | 2025-11-13 09:19 AM | N/A            |
| Shop Geometry Overview 170                 | Not Started  |         |       |                     | N/A            |
| Shop Trig Overview 210                     | In Progress  |         |       |                     | N/A            |
| Supporting and Locating Principles 111     | Complete     |         | 80    | 2025-11-21 10:19 AM | N/A            |
| Trigonometry: Sine Bar Applications 221    | In Progress  |         | 71    |                     | N/A            |
| Trigonometry: Sine, Cosine, Tangent 211    | In Progress  |         | 77    |                     | N/A            |
| Trigonometry: The Pythagorean Theorem 201  | Not Complete |         | 67    |                     | N/A            |
| Types of Prints & Engineering Drawings 132 | Complete     |         | 83    | 2025-12-03 06:33 AM | N/A            |
| Units of Measurement 112                   | Complete     |         | 93    | 2025-11-18 12:43 PM | N/A            |
